Engro Corp Establishes First Technical Training College in Daharki

DAHARKI: (PPI) Pakistan Chemical & Energy Sector Skills Development Company PCESSDC Monday commenced classes at its Technical Training College TTC, Daharki's first diploma-awarding institution in interior Sindh.

PIDC. Daharki vital energy and industrial center lacked an institution to cater for training local people. To enhance their skill asset, PCESSDC set up Pakistan's first TTC in Daharki which offers 3-year diplomas to young people in chemical and mechanical skills.

TTC's major support and funding has come through Engro, Mari Gas Company Limited & Pakistan Industrial Development Corporation

Brigadier @ Raja Muhammad Ali SI (M), CEO PCESSDC said TTC will be beneficial to local people. It has state-of-art facilities which complement syllabi of Sind Board of Technical Education. Admissions began in August, 2011.

All students who achieved minimum 'B' grade in Matriculation exam were eligible to appear in entrance test.

In coming years Electrical, Instrumentation, Computers & Electronic technologies will be added.
